GOOD FOR EVERYBODY

and everyone needs it at all times of the
year. Malaria is always about, and the
only preventive and relief is to keep the
Liver active. You must help the Liver a bit,
and the best helper is the Old Friend, SIM-
MONS LIVER REGULATOR, the RED Z.
Mr. C. Himrod, of Lancaster, Ohio,
says: "SIMMONS LIVER REGULATOR
broke a case of Malarial Fever of three
years' standing for me, and less than
one bottle did the business. I shall use
it when in need, and recommend it."

Be sure that you get it. Always look for
the RED Z on the package. And don't
forget the word REGULATOR. It is SIM-
MONS LIVER REGULATOR, and there is
only one, and every one who takes it is
sure to be benefited. THE BENEFIT IS
ALL IN THE REMEDY. Take it also for
Biliousness and Sick Headache; both are
caused by a sluggish Liver.
